# THANK YOU FOR YOUR CONSIDERATION

Autism is a complex development disorder that seriously affects the way individuals communicate and interact with others. 1 in 68 Canadian children currently has a form of autism, and the need for autism-related support and services has never been greater than right now. All proceeds from the Annual Golf Classic support Geneva Centre for Autism in making a difference in the lives of children and young adults with autism.

*Please contact **Katie Norman** at [foundation@autism.net](mailto:foundation@autism.net) to confirm or discuss sponsorship opportunities. We are open to other activations and are happy to customize any opportunities to best suit your needs.*
